A Content and Language Integrated Learning (CLIL) school with a bilingual stream of Dutch and English, offers students the option of working towards an IB Diploma Programme certificate for English A Language and Literature, Standard Level and Higher Level.

Czech Exchange

The Diploma Programme is a challenging two-year programme of international education for students aged 16 to 19. The IB programme exists in schools in 90 countries worldwide. The international programme encourages students to think globally. The worldwide assessment system of the IB exams ranks IB students on an international basis. It leads to a qualification that is widely recognized.

Do Universities recognize the IB Diploma?

The IB Diploma is recognized by the world's leading universities. The IB works closely with universities in all regions of the world to gain recognition for the IB diploma. To aid this process, university admissions officers have direct online access to syllabuses and recent examinations.

Who should be in IB?

Students who like reading and writing. An IB student is interested in international topics.

Ability to meet deadlines is an important characteristic of a successful IB student.

BBC Essay Writing and Speaking Contest

How are students assessed?

At the end of the two-year programme, students are assessed both internally and externally in ways that measure individual performance against stated objectives for each.
